Dear New Neighbor,

Welcome to Normandy Farms. We are happy you chose Normandy Farms to be your home and trust you will find us to be a community of friendly, considerate and helpful neighbors.

This letter is to introduce the Normandy Farms Homeowners Association, Inc., a voluntary organization created to preserve and protect the peaceful environment we call home, and to represent homeowners in matters that affect us as a community.

Membership is open to owners of occupied homes within Normandy Farms Subdivision whether or not such persons are residents of Normandy Farms.

Annual dues are \$20. Since the city does not plow our streets, an additional \$35 is requested of each homeowner to cover the cost of plowing and de-icing in winter. Please do your part to make our neighborhood accessible when the snow flies.

I invite you to visit our website at [www.normandyfarms.info](http://www.normandyfarms.info) to obtain membership information for the Normandy Farms Homeowners Association and to learn more about your new neighborhood.

Cordially,

Paul Ransberger  
For the Board of Directors
